Re: "Breakaway to Key Largo" Bike Ride

Dear Commissioner Heyman:

I write to inform you that the South Florida Chapter of the National Multiple Sclerosis Society will conduct its annual fundraising Bike Ride this weekend, April 20-21, a round-trip between Florida International University's campus in west Miami-Dade and Key Largo. Some 3,000 cyclists and volunteers will ride and work their way closer to a cure for this debilitating disease, which impacts the lives of more than 6,000 South Florida residents who have MS.

This is the ride's 27th installment, raising donations that directly fund MS research and provide critical services for our fellow residents and their families coping with MS. Our goal this year is to raise \$2 million. Miami-Dade County's on-the-road support is critical for the safety of our riders and support crew, and over the years we have developed an excellent working relationship with your Police Department and Fire Rescue Department.

Unfortunately, the cost of providing adequate traffic safety has risen dramatically. This year's cost for off-duty County police officers and EMTs is \$104,000, up 57 percent from last year's cost of \$66,000, as the course moves through an increasingly urbanized landscape. Paying for these County police and medical professionals comes directly out of our event profits. I am very hopeful that you can support this vital community event by making a meaningful allocation from discretionary funds at tomorrow's County Commission meeting.

Thank you very much for your past support, and thank you in advance for your continuing collaboration and consideration. Please do not hesitate to contact me if you have any questions or require any additional information; the best number is my cellphone, (305) 898-2317.
